PRATIK PATIDAR

Full Stack Developer | React.js • Node.js • NestJS • MongoDB • TypeScript

Indore, Madhya Pradesh, India • pratikpatidar7990@gmail.com • +91 8269647990 • LinkedIn • GitHub • Portfolio

PROFESSIONAL SUMMARY

Full Stack Developer with 1.5+ years of experience engineering production web applications across the complete stack: responsive React/Next.js frontends and robust Node.js/NestJS/MongoDB backends. Skilled in REST API architecture, database modeling, secure JWT authentication with HttpOnly cookies, and building reusable UI components. Committed to clean system architecture, efficient database queries, and reliable end-to-end feature delivery in Agile environments.

TECHNICAL SKILLS

Frontend:	React.js (v18), Next.js (App Router), TypeScript, JavaScript (ES6+), Tailwind CSS, Redux Toolkit
Backend & APIs:	Node.js, NestJS, Express.js, RESTful API Design, Middleware, JWT Authentication, CORS
Databases & ODM:	MongoDB, Mongoose ODM, Schema Validation, Aggregation Pipelines, Database Indexing
State & Validation:	Redux Toolkit, Context API, React Hook Form, Zod Schema Validation, Class-Validator
DevOps & Tools:	Git, GitHub, GitLab CI/CD, Vite, Postman, Vercel, Chrome DevTools, Linux/Bash

PROFESSIONAL EXPERIENCE

Techstuff Private Limited **May 2025 – Present**
Full Stack Developer Indore, India

- Developed end-to-end full-stack features for client web platforms using Next.js on the frontend and Node.js/NestJS on the backend.
- Designed and implemented 20+ secure RESTful API endpoints with request DTO validation, error interceptors, and role-based guards.
- Structured MongoDB schemas using Mongoose with compound indexes and aggregation pipelines for efficient data querying.
- Engineered reusable React component libraries and integrated forms with Zod and React Hook Form for seamless client validation.
- Configured JWT authentication flows with refresh token rotation and HttpOnly cookies, protecting sensitive application routes.
- Collaborated in daily Agile standups, code reviews, and sprint retrospectives to deliver production-ready features on schedule.

Techstuff Private Limited **Feb 2025 – May 2025**
Software Developer Intern Indore, India

- Built responsive frontend views in React.js and Tailwind CSS while assisting with Node.js/Express backend service endpoints.
- Wrote Mongoose data models and validation schemas for internal employee directory and project tracking tools.
- Followed standard Git workflows including feature branch development, pull request reviews, and issue tracking.

KEY PRODUCTION PROJECTS

Mercanis — Enterprise Procurement System
B2B Client Solution (Next.js, TypeScript, NestJS, MongoDB, Tailwind CSS)

- Contributed across frontend and backend: developed supplier management interfaces and connected NestJS CRUD microservices.
- Built Mongoose data models with lifecycle hooks for audit logging on purchase order submissions and status transitions.
- Created responsive data tables with server-side pagination, search filtering, and instant status updates via REST APIs.

Enterprise HR & Payroll Portal
Internal Business Application (Next.js, TypeScript, NestJS, MongoDB)

- Developed a complete web portal for employee record management, leave approval workflows, and monthly payroll history.
- Built role-based authorization ensuring employees access only their personal slips while HR administrators manage company data.
- Implemented database aggregations for department-wise salary breakdowns, attendance percentages, and monthly leave audits.

EduMiracle — Educational Institute ERP Portal
Full-Stack Web Platform (React.js, Node.js, Express, MongoDB, Tailwind CSS)

- Architected an all-in-one institute portal handling student enrollments, fee collection schedules, and course batch management.
- Developed an interactive online test module featuring real-time question timers, auto-submission, and automated result generation.
- Designed normalized MongoDB collections with relational references connecting student, batch, and test score records.

EDUCATION

Bachelor of Technology in Computer Science & Engineering **2020 – 2024**
Barkatullah University Institute of Technology (BUIT), Bhopal **CGPA: 7.89 / 10**
